IRIS
ORIENTAL POPPIES
HEMEROCALLIS
PEONIES
LILACS

U.S. Dept of Agriculture Library
Washington 25, D.C.

| | |
|---|------------|
| MOONLIGHT MADONNA. Large ruffled bloom of pale lemon. Exquisite color and form. Good substance. Early. | .75 |
| MOROCCO ROSE. Brilliant deep rose-pink. Flashy and bold. Large flowers on tall strong stems. | .50 |
| MULBERRY ROSE. Unusual deep color that is radiant yet dark and rich. A wonderful iris. | .75 |
| OIA KALA. Deep golden yellow, ruffled. Heads the list in popularity. | 1.00 |
| PAINTED DESERT. Soft buff-tan with brownish suffusion and violet markings. Large flowers on tall stems. | .75 |
| PEACHBLOW. Mellow peaches and cream, the falls edged with deep rose. Yellow flush. Nice with Blue Shimmer. | .75 |
| PINK CAMEO. Clear, delicate shell-pink that is irresistible. The best of the new pinks at the price. | 1.50 |
| PINK OPAL. Color is really clear, fresh orchid, tall and unusually hardy. A well-loved older iris. | .50 |
| PRARIE SUNSET. Iridescent tones of apricot, peach pink and rose with a strong gold undertone. A bit larger and darker than Daybreak. Good substance. | 1.00 |
| RADIANT. Coppery orange and flame, like glowing embers. Large bloom, medium tall. | .50 |
| RANGER. Deep, but brilliant, near crimson red. Nice with Lancaster and Daybreak. Velvety substance. | 1.50 |
| ROYAL SCOTT. Yellow deeply overlaid with burgandy red, at a distance like a sandy-haired scot. | .75 |
| SABLE. One of the darkest irises. Deep plum-purple with a blue beard which makes it almost solid "black". | 1.00 |
| SHARKSKIN. A fine large warm white, yellow flush at the throat, good strong stiff stem, long blooming season. | .75 |
| SNOQUALMIE. Very good cream colored iris, large flowers on tall stems. | .50 |
| SNOW CARNIVAL. Pure white with no markings to mar the white effect. Fluted and ruffled. | 1.00 |
| SNOW FLURRY. Cool icy white with icy blue buds. Exquisite ruffled form. Plant with blue toned flowers. | 1.00 |
| SOLID MAHOGANY. Well named. One of the finest dark iris. Near the top in the popularity poll. | 1.00 |
| SPINDRIFT Delicate pink with a tangerine beard. Color sort of dusty (low brilliance), very charming. | 1.00 |
| STAINED GLASS. Bright orange to reddish tan, a shade darker and a bit redder than Sunset Serenade. | .50 |
| SUNSET SERENADE. Golden apricot, one of the most colorful, to burnt orange, lighter than Prairie Sunset. | .75 |
| SYLVIA MURRAY. Light true blue with frosty firm texture. A favorite light blue. Best of its color. | 1.00 |
| TEA ROSE. Copper pink with tan suffusion Perfect form. Much admired by visitors. | .75 |
| THE RED DOUGLAS. Deep red, almost Dubonnet. Enormous blooms on tall stems. Nice with Spindrift or yellows. | 1.00 |
| TIFFANY. Soft tan stippled with burgandy. An older well-loved iris. Very hardy. | .50 |
| TIFFANJA. Buff-yellow stippled with brown markings. Nice with Blue Shimmer and Peachblow. Midseason, tall. | .50 |
| VATICAN PURPLE. Rich, glossy deep blue-purple. Tall stems carry many flowers. Dependable dark iris. | 1.00 |
| WABASH. Standards white, falls deep pansy purple with white margins. Dykes medal winner. Outstanding. | .50 |
| ZEBRA. Striped foliage, medium blue flowers. | .50 |
| COLOR TRIADS NICE TO USE TOGETHER | |
| TALL, DARK & HANDSOME: Indian Hills, Monadnock, Missouri | 3 ea. 4.00 |

FOR CONTINOUS SUMMER BLOOM
ALLURE, AUGUST PIONEER, BARONET, BOUTONNIERE, GOLD DUST, HYPERION, SERENADE your choice
 3 ea. doz. 5.00

DAYLILIES make sizable and effective clumps in a few years but do not spread like weeds. Grow them in sun or part shade. They bask while you bask. Do well on poor soil.

ORIENTAL POPPIES

| | |

Tall Bearded Iris

A Selection of The Best
at \$1.50 or less

| | |
|---|------|
| ACE OF SPADES. Deep rich blue-purple, almost black Smooth finish, 3 for \$1.25 | .50 |
| ARAB CHIEF. Copper-cream lighted with golden metallic overlay. Gold at the throat. | 1.00 |
| ARCTIC. Creamy smooth warm white with a gold throat, the color spilling over to the falls. Ruffled. | .50 |
| AZURE SKIES. Late blooming, ruffled lavender-blue. Fine substance. Cool, pale, resisting heat and winds. | .50 |
| BLUE RHYTHM. Ranks fourth from the top among the 100 favorites of 1952. Soft cornflower blue. | 1.00 |
| BLUE SHIMMER. Very large white flower heavily stippled and dotted and edged with soft blue. Popular. | 1.00 |
| BLUE ZENITH. Good pleasing shade of medium cam- panula blue. Vigorous and very hardy, 3 for \$1.25. | .50 |
| BROWN MONARCH. The best of the inexpensive browns. Large and handsome. | .50 |
| BRYCE CANYON An outstanding iris in a warm shade of brown with copper sheen. Stands up well in heat. | 1.00 |
| BUECHLEY'S GIANT. Huge and tall, two shades of blue-violet. A well-known favorite. | .50 |
| BUFFAWN. Unusual coloring of buff and fawn with a bright tangerine beard. | .50 |
| CALCUTTA. Dusky tan with lavender overlay, similar to Buffawn but with a yellow beard. | .50 |
| CALIFORNIA PEACH. Delicate peach-pink and apricot shades. Early, well branched, long blooming season. | .50 |
| CASA MORENA. Large, rich, chestnut brown with a bronze beard. Entirely new glowing color. | 1.50 |
| CHANTILLY. Heavily ruffled orchid pink. Ruffling seems like lace edging. Dainty, good substance. | 1.50 |
| CHINA MAID. Blends deep pink, golden bronze and soft lilac. An immense flower of good form and sub- stance | .75 |
| CHRISTABEL. An effective red, glowing, coppery. Large, smoothly finished. | .50 |
| CLARET VELVET. The translucent color of claret wine, vigorous and hardy. | .50 |
| COPPER LUSTRE. Beautiful blend of pink and gold with a copper sheen. A great favorite. | .50 |
| COPPER PINK. Dusky deep pink, yet outstanding at a distance for brilliance of color. Fine large flower. | .50 |
| DAUNTLESS. A two toned murky red that ranks as one of the best irises of all time. | .50 |

| | |
|--|------|
| DAYBREAK. Yellow, orange, pink, and buff combine to make a large gleaming joyous colored iris, well named. | 1.00 |
| ELMOHR. Famous Dykes winner in soft rich mulberry. Huge glowing, ruffled, hardy. Always a favorite | 1.00 |
| FAIR ELAINE. Light and dark yellow with an orange beard. Large flowers of good substance. | .50 |
| FLORA ZENOR. The pinkest of the inexpensive irises. The pink of old cameos. | .50 |
| GOLDEN TREASURE. Creamy yellow with an outpour- pouring of golden orange about the center. Silky texture. | .50 |
| GRAND CANYON. Deep colored blend of plum, copper and gold. Size in the grand manner. Ruffled. | .75 |
| GREAT LAKES. Clear pure medium blue, crisp texture. Third from the top in popularity poll. Dykes medal. | 1.00 |
| GUDRUN. Large shapely blooms of good texture. An older iris but still one of the best. 32 in. tall. | .50 |
| HAPPY DAYS. Large medium yellow, the largest of the yellows, deep orange beard, good substance. Late. | .50 |
| HARRIET THOREAU. Deep orchid pink, solid color, texture good, petals slightly waved. Tall and strong. | .75 |
| ICY BLUE. Crisp, frosty light blue, one of the palest. Orange beard. Very tall. | .50 |
| INDIAN HILLS. Rich, true purple, oval form, large, tall, fragrant. Silky sheen, good substance. | .50 |
| JAKE. Glistening white on tall well-branched stems that hold up against the wind. Hardy, fragrant. | .75 |
| LADY BOSCAWEN. Large clear white, fluted and ruffled. Strong firm substance. | 1.50 |
| LADY MOHR. Clear oyster-shell blue-white standards, chartreuse yellow falls, prominent veining in brown. | 1.00 |
| LANCASTER. Ruffled copper and old-rose blend. Excel- lent color. Nice with Ranger and Sunset Serenade. | .50 |
| LOS ANGELES. Snowy white with a light feathering of cerulean blue at the throat. Satin sheen. | .50 |
| LOUVOIS. Light and dark chocolate brown, really the brown velvet iris. Distinctive and charming. | .50 |
| MELANIE. Delightful tall lavender rose-pink. Strong stems that resist wind and rain. Very hardy. | .50 |
| MEXICO. Blended bi-color, buff-colored standards, glow- ing red-brown falls, bordered buff. Gay and brilliant. | 1.50 |
| MINNIE COLQUITT. White with deep purple stitching at the edges. Ruffled and flaring. Distinctive, popular. | 1.00 |
| MISSOURI. Excellent large medium to deep blue. Heavily enameled texture. A classic in form. | .50 |
| MONADNOCK. Really rich burgundy red, almost reddish plum. Deep colored, unusual. | .50 |
